US 70, Proposed Havelock Bypass, Craven County, NC TIP No. R-1015, State Project No. 8.T170701, Federal-Aid Project No. R-56-4(34), TGS No. 89406

On Monday, March 17, 1997, a local officials meeting and a second citizens informational workshop was held concerning the subject project. These meetings were held at the Havelock High School. The principal reason for these meetings was to present the third corridor. The public had not seen the third corridor which is the preferred alignment for the project because it was developed after the first public meetings for the project. Several handouts that were distributed during these meetings are attached.

The following officials assisted in the presentations and answered questions regarding the project.

Bob Mattocks	NCDOT Board Member
Neil Lassiter	NCDOT Division 2
Ed Latham	NCDOT Division 2
Dwayne Alligood	NCDOT Division 2
Jim Buck	NCDOT Planning and Environmental Branch
Lee Cobb	NCDOT Planning and Environmental Branch
Jimmy Norris	NCDOT Roadway Design
Virginia Mabry	NCDOT Roadway Design
Marc Clifford	NCDOT Roadway Design
Lou Raymond	TGS Engineers
Ken Burleson	TGS Engineers

The following is a summary account of the proceedings at these meetings:

The public officials meeting was conducted from 4:00 pm to 5:00 pm in the cafeteria of the Havelock High School. In addition to the above project personnel, approximately 26 officials attended this presentation. A list of attendees is also attached.

This meeting began with Bob Mattocks welcoming those attending and explaining some of the project history that preceded this meeting. He introduced Jim Buck who also spoke of the
